This is a voluntary statement of Mathu Miller as told and typed by Detective Wilburn.

I met her when I was 18 years old in Dalewood through a mutual friend and I use to hang out at her house and smoke and stuff. I year or so went by she got really wild and then she kind of quite down and cleared her name. Another couple of years went by and I was 20 years old then one day she randomly snap chatted me while I was at work. It was a couple of days before the incident. We was just talking and catching up and I asked her about Christian and she said that they had broken up and he was seeing another girl. We came to a agreement that we was going to hang out together with a couple friends. She ended up meeting me at the Shell at Southeast and she jumped in the truck with me and we went to Jett's. We sat around watched TV, played pool and smoked and talked. Jett asked if we wanted to go shot guns and I said yea man. So we got into the truck and drove down to the pastor behind his house. We ended up shooting Jett shot me and Jett's friend shot at some cans. I pacifically asked Whitley if she wanted to shot and she said no because she is terrified of guns. After that we went back up and me and Whitley left to take her back to her car it was around 12 or so in the morning. Went back to the Shell and I asked her if she wanted to stay or drive home and she said that she wanted to stay. She came over and we ended up having sex and we went to sleep. The next morning we woke around 6:30 or 7:00 I was already late for work. I walked her to her car asked her if she was good to drive and she said yes. So we parted ways I went to work and I guess she went to Christian's. I worked from about 7:45 till 3:00 I was in Russell at the time working at a factory. I got home around 3:30pm sat on the couch watching tv and went to sleep. Woke up around 8:00 pm from a call from my cousin asking if I heard what happen to Christian. Jett told me about Christian committing Suicide and then that's when I tried to get in touch with Whitley to see what happen. She told me that Christian found out about me and her and they went to several different spots and he was upset. She said that they went back to the house and laid down and went to sleep together. She woke up to a gun shot ran up stairs and found him slumped over the tub with a bullet hole to his throat. Around 8pm I tried to call Whitley's phone got no answer and I called Dallas and I asked her if she was with Whitley and Dallas said yes Whitley is with me. I asked Dallas if I could talked

After we hung up she would try to contact a couple times but I was avoiding her. So about a week goes by I hear a different story so I texted her and asked her if she found the body or did Dylan find the body? Then she said Dylan found the body. I asked her why did she tell me different story the first time. Then I asked where he was shot? Whitley said his head. She also said that Christian was talking about killing himself earlier that day.
